Five-time Mr. Universe, seven-time Mr. Olympia, and Mr. World, Arnold Schwarzenegger is the name in bodybuilding. Here is his classic bestselling autobiography, which explains how the "Austrian Oak" came to the sport of bodybuilding and aspired to be the star he has become. I still remember that first visit to the bodybuilding gym. I had never seen anyone lifting weights before. Those guys were huge and brutal...The weight lifters shone with sweat; they were powerful looking, Herculean. And there it was before me--my life, the answer I'd been seeking. It clicked. It was something I suddenly just seemed to reach out and find, as if I'd been crossing a suspended bridge and finally stepped off onto solid ground. Arnold shares his fitness and training secrets--demonstrating with a comprehensive step-by-step program and dietary hints how to use bodybuilding for better health. His program includes a special four-day regimen of specific exercises to develop individual muscle groups--each exercise illustrated with photos of Arnold in action. For fans and would-be bodybuilders, this is Arnold in his own words.

or and photographer Bill Dobbins presents 50 full-color and duotone photographs of top female competitive bodybuilders. It is a stunning visual exploration of our changing perception of the potential of the female body as we approach the 21st century.

Whatever life throws at you, Arnie has the answer. Do you revere the legend that is Arnie? Do you agree that the best activities for your health are pumping and humping? Do you trust that if it bleeds, you can kill it? Then this is the book for you. Be inspired by the no-nonsense life philosophy of Arnold Schwarzenegger, through his best and most ridiculous motivational quotes. And remember: Milk is for babies. When you grow up you have to drink beer.

The popularity of bodybuilding is at an all-time high, and the sport is continuing to grow. But seasoned competitors and beginners often have questions about how to look their best on show day. Written by expert bodybuilding coaches Peter Fitschen and Cliff Wilson, Bodybuilding: The Complete Contest Preparation Handbook will guide you through every step of the process to select a competition, prepare for the contest, and make the transition to the off-season. With no other book like it on the market, Bodybuilding offers you scientifically supported and experience-based guidelines to help you have your best show ever. Bodybuilding takes the guesswork out of preparing for a contest and answers common questions such as these: How do I choose the competition and division that are right for me? What mandatory poses do I need to learn for my competition? What is the best workout to do during contest prep? What should I do if I start to spill over during peak week? How long is too long to maintain stage-lean levels of body fat? The authors have created an easily accessible handbook that guides you step by step. The chapters begin with a background of the sport, followed by a discussion of the competitive division options for both men and women. The next chapters will help you through the process of obtaining a stage-ready physique with an evidence-based approach that combines scientific literature with practical experience. These chapters discuss important topics such as nutrition, training, and preparation timing. The next chapters address posing, peak week, tanning, and a number of other topics that will help you bring your most polished physique to the stage. More than 60 full-color photos show body types for each division and each mandatory pose, offering a visual guide to the proper positions for each pose. You will also find information on how to handle the transition to the off-season. With unparalleled detail, Bodybuilding is your go-to guide for bodybuilding success! CE exam available! For certified professionals, a companion continuing education exam can be completed after reading this book. The Bodybuilding Online CE Exam may be purchased separately or as part of the Bodybuilding With CE Exam package that includes both the book and the exam.
