Boy - definition of boy by The Free Dictionary

Boy is a lovely film, and I think it's true charm lies not just in the hilarious and heartbreaking story, but in the two amazing lead child actors, James Rolleston and Te Aho Eketon-Whitu. I really loved how these two kids, and all the children who were in this film, were able to shine as they actually acted like children.

A boy is a young male human, either a child or teenager. Little boys still have the body of a child. It is not until they reach puberty (adolescence) (which starts at age 13 on average) that their bodies start to mature and they become a man. The word "boy" was used a long time ago in Anglo-Saxon English. The opposite of a boy is a girl
