CONCISE CAR® The rubrics of CAR® are similar to other Cognitive Apprenticeship Methodology's: "Watch It Do It Know It." CAR's unique power to facilitate recovery is derived by adding the ingredients of "The Way of Analogy" and "The Concept of The Singular." You might want to start by first reading Chapter 5 in "Bingo": The chair's fixed, relax and sit in it as a way to preempt any confusion about how "The Way of Analogy" is being used in "Relationship Associations." Here is the traditional (Thomas Aquinas) "Way of Analogy": Red is Red: and yet a horse is Red, with a "horsey" Redness. CAR® melds this with "The Concept of the Singular" [i.e. Remember Philosophy 101. The Universal Chair of the Greeks was the perfect chair; then came "the Particular" chair (Lounge Chairs); then came "the Singular" chair (your Dad's old Morris chair with the cigar burns on the right arm)] to get its synergism. CAR® is a "Singular Analogous Relationship Driven" Recovery modality and as such, less easily defined than experienced. CAR® methodology is already at work "within" you even before you start to read these books. You already know (you are ultimately aware) that you are "within the answer." "The 'Good News' is... you are in Recovery now!" This is proclaimed at the beginning of all three books. "The first step in the acquisition of wisdom is silence, the second listening, the third memory, the fourth practice, the fifth teaching others." Solomon Ibn Gabriol Respectfully submitted... Maurice "Mo" Murray [Reference: The Practice of Cognitive Apprenticeship Recovery. Maurice J Murray, Bowers-Stokesbury Press. Wilmington, DE 1993]

In the early twentieth century—not long after 1898, when the United States claimed the Philippines as an American colony—Filipinas/os became a vital part of the agricultural economy of California's fertile San Joaquin Delta. In downtown Stockton, they created Little Manila, a vibrant community of hotels, pool halls, dance halls, restaurants, grocery stores, churches, union halls, and barbershops. Little Manila was home to the largest community of Filipinas/os outside of the Philippines until the neighborhood was decimated by urban redevelopment in the 1960s. Narrating a history spanning much of the twentieth century, Dawn Bohulano Mabalon traces the growth of Stockton's Filipina/o American community, the birth and eventual destruction of Little Manila, and recent efforts to remember and preserve it. Mabalon draws on oral histories, newspapers, photographs, personal archives, and her own family's history in Stockton.

She reveals how Filipina/o immigrants created a community and ethnic culture shaped by their identities as colonial subjects of the United States, their racialization in Stockton as brown people, and their collective experiences in the fields and in the Little Manila neighborhood. In the process, Mabalon places Filipinas/os at the center of the development of California agriculture and the urban West.
