Electric Entertainment and Arrowstorm Entertainment said Monday they'll resume production in Serbia for the third season of the CW's fantasy-adventure series The Outpost. Production was halted at the onset of the coronavirus outbreak in mid-March.

Electric Entertainment

Event organisers, contractors and others using electrical equipment must do all that is reasonably practicable to ensure that electrical installations and

Download Ebook Electricity For The Entertainment

equipment at an event are properly selected, installed and maintained so as not to cause death or injury.

Event safety - Electrical safety

The intent of the electrical examination is to evaluate and validate the competency of the upper third of electricians working in the entertainment industry.

These positions typically involve liability issues, the health and safety of workers and audiences, and compliance with the electrical and other laws of the local area, including laws requiring performance by Qualified Personnel.
