Read PDF Essene Odyssey The Mystery Of The True Teacher And The Essene Impact On The Shaping Of Human Destiny

Ever since the discovery of the Dead Sea Scrolls in caves near the site of Qumran in 1947, this mysterious cache of manuscripts has been associated with the Essenes, a "sect" configured as marginal and isolated. Scholarly consensus has held that an Essene library was hidden ahead of the Roman advance in 68 CE, when Qumran was partly destroyed. With much doubt now expressed about aspects of this view, *The Essenes, the Scrolls and the Dead Sea* systematically reviews the surviving historical sources, and supports an understanding of the Essenes as an influential legal society, at the centre of Judaeian religious life, held in much esteem

by many and protected by the Herodian dynasty, thus appearing as "Herodians" in the Gospels. Opposed to the Hasmoneans, the Essenes combined sophisticated legal expertise and autonomy with an austere regimen of practical work, including a specialisation in medicine and pharmacology. Their presence along the north-western Dead Sea is strongly indicated by two independent sources, Dio Chrysostom and Pliny the Elder, and coheres with the archaeology. The Dead Sea Scrolls represent not an isolated library, quickly hidden, but burials of manuscripts from numerous Essene collections, placed in jars in caves for long-term preservation. The historical context of the Dead Sea area itself, and its extraordinary natural

resources, as well as the archaeology of Qumran, confirm the Essenes' patronage by Herod, and indicate that they harnessed the medicinal material the Dead Sea zone provides to this day.

Jesus was an initiate and adept of the ancient Judaic mysteries who strove to reinstate the tradition of the bridechamber sacrament in his time • Shows that Jesus sought to establish equity of masculine and feminine in both spiritual practice and social traditions, particularly in the sacrament of marriage • Reinterprets Jesus ' key teachings in light of the ancient tradition of sacred consortship • Reveals what happened to the gnostic heart of Christianity that Jesus embodied Jesus was a high-initiate and

Teacher and the ancient Judaic mysteries who strove to free people from the dead hand of the ritualists. He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born, which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple. At the heart of this movement was a yogic-based practice known in the apocrypha as the Gnosis of the Heart, which espoused the union of both sexes in a secret initiatic teaching. As a fearless social reformer, Jesus wanted to restore the authority of the feminine principle, including asserting the equality of man and woman in the social contract of marriage. He reinstated in his own life the tradition of sacred consortship--a

Read PDF Essene Odyssey The Mystery Of The True

rite known to early Church fathers as the bridechamber sacrament, whereby the marriage of the masculine and feminine energies was effected. This rite, Victoria LePage suggests, was the primary focus of Jesus' teachings, the very heart of his exhortations to love thy neighbor, and the source of his healing power. Mysteries of the Bridechamber explains how, as a master adept of the Temple of Solomon, Jesus derived these teachings directly from ancient Judaic mystery traditions, revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self-initiation and transformation.

Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers • Reveals for the first time the hidden link that connects James the Brother, Islam, the Cathars, the Knights Templar, and Freemasonry • Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul ' s desire to impose his vision for the Church, the true teachings of Jesus--as preserved by his family and disciples--were forced into hiding. This clandestine movement was evidenced by such early groups as the Nazarenes, Ebionites, and Elkesaites but is

generally thought to have died out when the Church of Paul branded these groups as heretics.

However, despite the ongoing persecution by the Roman Catholic orthodoxy, this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival. Jeffrey Bü tz, author of *The Brother of Jesus and the Lost Teachings of Christianity*, reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam, the Cathars, the Knights Templar, and Freemasonry. In *The Secret Legacy of Jesus*, Bü tz demonstrates how this centuries-old underground stream of

Christ's original teachings remained alive and how it surfaced again in Colonial America, where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a "New Jerusalem." With the rise of a fundamentalist Christianity, this potent spiritual vision was lost, but Bütz contends it can be recovered and used to bring about the reconciliation of Christians, Jews, and Muslims throughout the world.

Investigative mythologist William Henry follows up his best-selling Cloak of the Illuminati with this illustration-packed treatise on the secret codes, oracles and technology of ancient Illuminati.

Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel. Sometimes it turns out to be a hoax; will it be debunked before it can work its mischief? If it proves genuine, will it be brought to light? Or will corrupt church officials manage to prevent it? The book evaluates what each

Read PDF Essene Odyssey The Mystery Of The True

author has to say about historical Jesus scholarship or New Testament research in general. Sometimes the authors have done their homework; other times they haven't bothered, and they wind up dishing up crazy rewrites of history and outlandish theories. These novels deal with abiding issues of faith, even without some new discovery. As soon as one engages in biblical apologetics, one has stepped onto the marshy ground of probabilistic arguments, an entirely different epistemology that automatically replaces simple faith. And so one comes to hold one's religious convictions more tentatively, having become genuinely vulnerable to new evidence. One may not remain a believer for long. On the other

Read PDF Essene Odyssey The Mystery Of The True

hand, one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board. Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity. How mighty a blow must be dealt before the religion would fall? Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable. As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research, there is a genuine romance of New Testament scholarship, and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists. These books can both

Read PDF Essene Odyssey The Mystery Of The True Teacher And The Essene Secret Scrolls. Impact Of The Shaping Of Human Destiny

With this book, Owen Power offers the first full-length intellectual history of the thinker Hugh Schonfield (1901-1988). Power contextualises Schonfield and his work in the spheres of Jewish ideology and Messianic Jewish politics as a means to explain the complicated nature of Messianic Jewish identity. There are many problems in making sense of the varied claims made about the Jewishness of Jewish Believers in Jesus--as there is a striking lack of agreement as to their Jewish status among halakhic authorities--and there is no real consensus among Messianic Jews themselves in answering the

Read PDF Essene Odyssey The Mystery Of The True

question, "Who is a (Messianic) Jew?" On the other hand, the attitude of many Jewish commentators regarding Messianic Jews is that they are traitors and apostates pretending to be Jews--Christian missionaries hell-bent on enticing Jews from their communities to the welcoming embrace of the Church. Normative Jewish opinion tends to treat Jewish Believers in Jesus as a monolithic group and thus fails to recognise the wide range of groups and individuals who claim to be Messianic Jews, even if there is among them little consensus as to what such a label means. Schonfield's case both reinforces such convictions and problematizes them.

Read PDF Essene Odyssey The Mystery Of The True

This is a unique history of Masonry written from the perspective of an educated outsider. The author is sympathetic to Masonic goals, a historian of secret societies and political conspiracies, and an exhaustive researcher. He looks back to the earliest roots of the Craft, and then traces its influence into modern times. From the Bible ' s Temple of Solomon through the Knights Templars, to the Rosicrucians and Illuminati, we learn of Masonry ' s roots and early history. Enlightenment philosophy and the revolutionary currents of eighteenth-century Europe opened an opportunity for the American experiment. Sacred geometry and architecture combined to create Washington, DC, and the rest, as
