Healing from Trauma: A Survivor's Guide to Understanding ...
We can heal from the pain of trauma and triggers. As a survivor of
childhood trauma, I understand the overwhelming pain of living
with triggers and the courage that it takes to heal. At Heal For Life,
we say that triggers are treasures, because through de-triggering
they offer us the key to living the life we want and deserve. I wish
you the very best with your own healing journey, too.

Healing the Fragmented Selves of Trauma Survivors integrates a
neurobiologically informed understanding of trauma, dissociation,
and attachment with a practical approach to treatment, all
communicated in straightforward language accessible to both client
and therapist. Readers will be exposed to a model that emphasizes
"resolution"—a transformation in the relationship to one's self,
replacing shame, self-loathing, and assumptions of guilt with
compassionate acceptance.

The Kavanaugh trials were incredibly difficult for survivors of abuse everywhere. Ford was forced to relive her own trauma on a national stage only for justice to elude her. Survivors saw her being gaslighted, retraumatized, villainized, and sent into protective hiding because of the venomous threats of rape and death she received from men who, like Kavanaugh, vehemently hate women.

Most trauma survivors struggle or don't want to admit or own this identity, let alone wear it proudly. But let's explore what healing could be possible if more people impacted by trauma did identify with this term. The power of recognizing trauma for trauma survivors. Many trauma survivors feel low self-worth.

Why It's Important to Identify as a Trauma Survivor ...

Unfortunately, healing from trauma—no matter if the abuse lasted a few months or a few decades—is not an overnight process. In fact, "getting over it" may never be a part of a survivor's recovery. Abuse can have a lifelong impact, but the severity of its effects can be lessened by getting help.
