## Strategies

Buy Schistosomiasis Control in China: Diagnostics and ...

The strategy of morbidity control focuses on the population of an endemic country.

Schistosomiasis is

# Read Book Schistosomiasis

caused by the insanitary habits of man.

Schistosomiasis is acquired by man as he performs necessary daily activities associated with fresh water-working, bathing, washing, fishing, and recreation.

WHO | The control of schistosomiasis

After five decades' of

# Read Book Schistosomiasis

effort, China has made great achievements in schistosomiasis control and the infection prevalence and intensity of schistosomiasis in humans have decreased to a relatively low level [6,8]. The achievement, to a large extent, is attributable to praziquantel-based chemotherapy, and prompts an increasing
