A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

The first edition of Joel Augustus Rogers's now legendary 100 Amazing Facts About the Negro with Complete Proof, published in 1934, was billed as "A Negro 'Believe It or Not.'" Rogers's little book was priceless because he was delivering enlightenment and pride, steeped in historical research, to a people too long starved on the lie that they were worth nothing. For African Americans of the Jim Crow era, Rogers's was their first black history teacher. But Rogers was not always shy about embellishing the "facts" and minimizing ambiguity; neither was he above shock journalism now and then. With élan and erudition—and with winning enthusiasm—Henry Louis Gates, Jr. gives us a corrective yet loving homage to Roger's work. Relying on the latest scholarship, Gates leads us on a romp through African, diasporic, and African-American history in question-and-answer format. Among the one hundred questions: Who were Africa's first ambassadors to Europe? Who was the first black president in North America? Did Lincoln really free the slaves? Who was history's wealthiest person? What percentage of white Americans have recent African ancestry? Why did free black people living in the South before the end of the Civil War stay there? Who was the first black head of state in modern Western history? Where was the first Underground Railroad? Who was the first black American woman to be a self-made millionaire? Which black man made many of our favorite household products better? Here is a surprising, inspiring, sometimes boldly mischievous—all the while highly instructive and entertaining—compendium of historical curiosities intended to illuminate the sheer complexity and diversity of being "Negro" in the world. (With full-color illustrations throughout.)

Presents a narrative history of the American National Park System, examining the events and political battles that led to the establishment of each park while profiling each for its unique attributes, in a volume that also pays tribute to key advocates.

Released for the first time in paperback, this landmark social and political volume on feminism is credited with being responsible for raising awareness, liberating both sexes, and triggering major advances in the feminist movement. Reprint.

"On January 20, 2021, Amanda Gorman became the sixth and youngest poet, at age twenty-two, to deliver a poetry reading at a presidential inauguration. Her inaugural poem, "The Hill We Climb," is now available to cherish in this special edition." --

For many of the 200,000 black soldiers sent to Europe with the American Expeditionary Forces in World War I, encounters with French civilians and colonial African troops led them to imagine a world beyond Jim Crow. They returned home to join activists working to make that world real. In narrating the efforts of African American soldiers and activists to gain full citizenship rights as recompense for military service, Adriane Lentz-Smith illuminates how World War I mobilized a generation.

Books for All Kinds of Readers Read HowYouWant offers the widest selection of on-demand, accessible format editions on the market today. Our 7 different sizes of EasyRead are optimized by increasing the font size and spacing between the words and the letters. We partner with leading publishers around the globe. Our goal is to have accessible editions simultaneously released with publishers' new books so that all readers can have access to the books they want to read. To find more books in your format visit [www.readhowyouwant.com](http://www.readhowyouwant.com)

The twentieth-anniversary edition of Marion Blumenthal Lazan's acclaimed Holocaust memoir features new material by the author, a reading group guide, a map, and additional photographs. "The writing is direct, devastating, with no rhetoric or exploitation. The truth is in what's said and in what is left out."—ALA Booklist (starred review) Marion Blumenthal Lazan's unforgettable and acclaimed memoir recalls the devastating years that shaped her childhood. Following Hitler's rise to power, the Blumenthal family—father, mother, Marion, and her brother, Albert—were trapped in Nazi Germany. They managed eventually to get to Holland, but soon thereafter it was occupied by the Nazis. For the next six and a half years the Blumenthals were forced to live in refugee, transit, and prison camps, including Westerbork in Holland and Bergen-Belsen in Germany, before finally making it to the United States. Their story is one of horror and hardship, but it is also a story of courage, hope, and the will to survive. Four Perfect Pebbles features forty archival photographs, including several new to this edition, an epilogue, a bibliography, a map, a reading group guide, an index, and a new afterword by the author. First published in 1996, the book was an ALA Notable Book, an ALA Quick Pick for Reluctant Readers, and IRA Young Adults' Choice, and a Notable Trade Book in the Field of Social Studies, and the recipient of many other honors. "A harrowing and often moving account."—School Library Journal

Focuses on a crucial two-day battle in Vietnam that was also marked by an ill-fated protest by University of Wisconsin students at the Dow Chemical Company, in an hour-by-hour narrative.
